Winter Warmer Café Crawl~ 9th January 2011

Jenners Café, Boulters Lock - 1st stop of many!

As it's been a whole year since the last ride out, come and join us with hopefully not too much ice and snow for a Winter Warmer Café Crawl ride out - well we can't do a pub crawl on the bikes - that will kick start 2011 off, keeping up the tradition that 2010 was based upon.

That's food and drink being the most important part of the ride out!

We'll have a bundle round as many café and eating places

we can fit in, would anyone be able to beat Gavin's total of three burgers in one day.

We'll go to Jenners Riverside Café at Boulters Lock Maidenhead first, to regain some feeling in our hands with their Hot Chocolate!

Lunch will be in a pub that has a dam good open fire!

The final stop will be the Café on the A33 just down from Three Mile Cross, to finally defrost and thaw out, before we all go our separate ways to

vow that we'll never ride these stupid machines again in the Winter, mumbling roll on Summer and all of that stuff lol.

For those of us that's brave enough, meet up and f**k off is **10:30am sharp** at our normal starting point, the BP Services, opposite the Swan, Bassingstoke Road, Three Mile Cross, Reading RG7 1AT

Mystery Ride Out~ Sunday 20th February

Hopefully not too much head scratching will be needed?

Join us for a ride out with a difference!

There will be a set of clues at the beginning for YOU to work out where we will be going and the route to be taken, and then clues at that location to work out the route etc to the next point.

To get to each point, the

person who works out the answer will lead that section so hopefully we will have a varied leadership throughout the day..... we may even get to where we should be getting to!!!!!!

Worzel on the Golden Goddess will be running as Tail End Charlie for this, and

may be open to all forms of bribery for the answers to each bit of the Mystery ride out.

Here's your first clue: Ensure you've brushed up on your map reading skills!!!!!!!!!!!!!!

Meet at the BP, opposite The Swan, ready for a **MUFO of 10:30am.**

British Leisure Show ~ 11th to 13th March

'The British Leisure Show is the ultimate lifestyle event, providing entertainment, interaction, education and hospitality for visitors of all ages, with a diverse display of new products representing the best of British Leisure.'

This is now in it's second year, being again held at the Royal Windsor Showground again, between Friday 11th March to Sunday 13th March.

Honda Owners Club is going to have another big presence

at this 3-day event, and as we are the closest branch, our help is needed!

Last year, some of our branch members gave their services to help set up the tents etc on the Friday, and also being present throughout the weekend to show off their bikes and promote the HOC and most importantly, the Reading Branch.

Reading Honda will also be attending with us.

For those of us that give their

services for the day, entry is free, and there should be space for you to have your polished pride and joy on display, for the "little darlings" to put their sticky mawks all over it.....

For more info, go to www.britishleisureshow.com where you'll find all what's going on, and let Bryan know as soon as possible if you want to be involved in this weekend. Or for Alan, write to them for a brochure to be posted to you.....

Brooklands Museum ~ Sunday 20th March

Welcome to Brooklands Museum where the 'Spirit of Brooklands' lives on!

Brooklands - the world's first purpose-built motor racing circuit, constructed at Weybridge, Surrey in 1907 - was more than a great sporting arena. Brooklands was the birthplace of British motorsport and aviation,

home of Concorde and the site of many engineering and technological achievements throughout eight decades of the 20th century.

Drink in the atmosphere that reveals the secrets of Brooklands - the place where the great British adventure in speed and altitude all began. The Museum displays

a wide range of Brooklands-related motoring and aviation exhibits ranging from giant racing cars, motorcycles and bicycles to an unparalleled collection of Aircraft including Concorde.

Admission charges are £9.00 per Adult, but well worth it! MUFO 09.00am at the BP as usual opposite The Swan.
